Honorable James C. Davis
 Chairman
 Subcommittee on Manpower Utilization
 and Departmental Personnel Management
 House Committee on Post Office and Civil Service
 Washington 25, D. C.

Dear Mr. Chairman:

Thank you for your letter of 1 March 1956, indicating that your Subcommittee will want personnel information from time to time with respect to proposed or pending substantive legislation.

Although there is little in the way of new substantive legislation which is likely to have any important effect on the personnel requirements of this Agency, we will cooperate in every way possible to provide such information on this subject as you may require.

Although the nature of many of our projects, and precise requirements in terms of personnel and other administrative costs, are matters which necessarily bear a high security classification, we will be happy to discuss the problem in detail with you or with your Chief Counsel, Mr. Belen, at any time you desire.
